To assist you in getting ready to make this pilgrimage to the Holy Land and to help us get to know you better, we would like for you to write a 200 or so word essay detailing the current expression of your faith commitment as well as how you feel this journey will help you deepen that commitment. In this essay you might want to list how you currently are serving our Lord through your involvement in congregational and denominational activities, as well as what you might see in your future. You may write this essay either on the back of this page, or attach it on a separate sheet. You may also send the essay along with the information asked for above in an email to [bbennett@mcsp.org](mailto:bbennett@mcsp.org). We want to stress this essay will not be judged in anyway and your reflections will not be used to deny you access to the trip, it is simply to help you get started in some important reflection on how this journey will help you along in your faith development.
