

# The Resource Center Newsletter

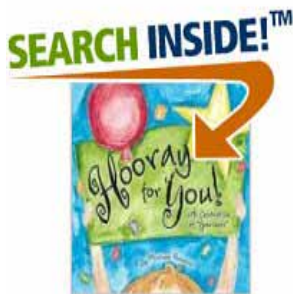

August 2008

Welcome to this edition of the Resource Center Newsletter! We have developed this e-newsletter to keep you up to date on new resources we are adding to the Resource Center.

Please come visit us or borrow resources via our web site [www.moravianboardofce.org](http://www.moravianboardofce.org). These books are all from a collection by author Marianne Richmond . We love so many of the books she has done but here are highlights of a few. We have several more in the Resource Center.

*I Wish For You* is an adoption story that follows a conversation between a little bear and his Mama, as they curl up in their favorite cuddle spot and talk about how they became a family. The questions asked are kinds of questions many adopted children have.

*Hurray For You* is a celebration of “you-ness”- the grand sum of body, mind and heart that makes every person truly unique. It takes readers on a head to toe tip journey honoring the remarkable individuality bestowed on us all. The idea for the book came about as the author considered why we cherish certain people in our lives. She arrives at the concept of “you-ness”, the sum a characteristics that makes somebody special.

*You Are My Wish Come True* is a tender tale of devotion between a parent and child. Settled into their favorite spot, Mama reassures Barley that he was wished for, prayed for, and waited for. And that he is far more beautiful and precious than she could have ever imagined.
