

Liturgy

Let us come together and worship our God who commands us in his loving embrace.

Praise him for his acts of power.

As we worship as many souls joined together in one body let us praise him for his righteousness and protection when we stand alone, unable to proceed into the path of his light.

Praise him for his mighty ways.

Lord of Reality

Lord of reality, make me real
Show me thy mighty works, great power to feel
Impart your love to me, that I may be
A person of reality

Chorus:

Lord God Almighty, take my hand,
Guide me on let me stand
Strong and mighty against the foe;
Thy love in command.

Teach me thy will O Lord, teach me thy ways
Teach me to know thy word, teach me to pray,
Help me to understand, through you I see,
The beauty of reality.

Chorus

Lord of reality, help me to know
When others need of me, your love to show
When life is not my own, then I can be
A person of reality.

Chorus

Repeat 1st verse with no chorus

He keeps us safe when we have no shelter and when we need to be kept safe.

Praise him for his helping hands.

We seek our Lord's guidance each day even if we do not realize we are calling him. He is our strength and shield and we will always look for his grace in our lives each day.

As the Deer

Martin Nystrom

As the deer pants for the water
So my soul longs after you.
You alone are my heart's desire
And I long to worship you.

Chorus

You alone are my strength, my shield
To you alone may my spirit yield.
You alone are my heart's desire
And I long to worship you.

I want you more than gold or silver
Only you can satisfy
You alone are the real joy giver
And the apple of my eye.

Chorus

© 1984 Maranatha! Music

When we are safe, let us feast in celebration of his name.

Praise him for everything he has granted us today.

As we share this bountiful lovefeast let us remember God's presence in each one of us, knowing that here we are safe and loved.

This liturgy was written for today by Corbett Frye (Home) and Aaron Linville (Union Cross).
